Betty Crocker The Big Book of Bread (Betty Crocker Big Book) Betty Crocker

Nothing is more basic or more versatile than bread. From a white loaf to quick-to-make muffins, bread is a well-loved staple. *The Big Book of Bread* is a complete resource for both new and experienced cooks, with more than 200 recipes and 100 color photos. New bakers will find clear and easy-to-follow instructions, tips, techniques, and how-to photos to bake a range of breads, from classic yeast breads to friendly quick breads. More experienced bakers will enjoy new flavors and techniques to add to their repertoire. This one-stop bread book will delight and encourage bakers of all levels of experience, with recipes for artisanal breads, no-knead breads, coffee cakes, scones, gluten-free recipes, bread machine recipes, pizza dough, and more.

Susan says

From sweet quick breads, muffins and doughnuts to yeast breads, focaccia and pizza, this book has a lot of recipes to keep you busy baking. However, I was disappointed in how many of the recipes called for Biscuit mix though.

Carol says

There are so many recipes here that there is literally something for everyone.....if you enjoy to bake. The sweet recipes have so many mouthwatering choices....I can envision eating many of these accompanied with a nice cup of coffee or a pot of tea.....*delicious!!*

I liked the bread section also.....it included some of my personal favorites like "Hot Cross buns"...why they are reserved solely for Easter just seems so unfair...I could definitely eat them all year round. I also liked the look of the "Pretzel with cheese filling" recipe *yum!!!*

In fact I want to try several recipes...."Rhubarb Crumble Loaf "for instance is calling out my name...I am a total sucker for rhubarb..... *Strawberry-rhubarb pie is my all time favorite pie...even trumps Caramel-apple!!! but I do digress here...there aren't any pie recipes included in this cookbook.*

The almond tres leches muffin are something that I have never tried before but I wouldn't say no to a tasting of them either.... and I would definitely have to say that this book is an absolute goldmine for the sweet lovers like myself.

Leona says

If you're looking for a book filled with delicious bread recipes that are fun and easy to make, look no more. There are over 200 recipes from muffins to quick breads, yeast breads, doughnuts, focaccia and more. It's filled with traditional favorites such as banana bread, to newer trendy recipes such as sweet potato and bacon biscuits.

I would have liked more detail in the yeast section with more working instructions and more recipes.

Definitely a keeper.

From Reader Review Betty Crocker The Big Book of Bread (Betty Crocker Big Book) for online ebook

From reader reviews:

Mark Frey:

Do you have favorite book? Should you have, what is your favorite's book? Guide is very important thing for us to know everything in the world.
